

ORDINANCE NO. 88-7-14-1
VILLAGE OF OAKWOOD, ILLINOIS

WHEREAS, the President and Board of Trustees of the Village of Oakwood, Illinois are authorized by the statutes of the State of Illinois to regulate the use of the streets, alleys, sidewalks and municipal property of the Village; and,

WHEREAS, certain citizens have failed to refrain from depositing grass and leaves on the streets and gutters of the streets of the Village and said actions have resulted in various storm sewers of the Village becoming plugged resulting in flooding of certain streets; and,

WHEREAS, certain residents of the Village have failed to responsibly deal with the removal of garbage from their residential premises; and,

WHEREAS, the President and Board of Trustees has determined that it is in the best interest of the Village that revisions be made to that portion of the Village Code dealing with these subjects.

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Oakwood, Illinois as follows:

Section 1: Section 8.04.030 of the Oakwood Municipal Code is amended to read as follows:

8.04.030 Duty to Place Garbage in Receptacles. It shall be the duty of every occupant, tenant or person in possession of any premises in the Village to cause to be deposited in a garbage receptacle or garbage bag all solid waste or garbage produced in or brought into such house, building, flat, apartment, hotel, restaurant, tenement or dwelling house as soon as the same is produced or brought therein.

Section 2: Section 8.04.040 of the Oakwood Municipal Code is amended to read as follows:

8.04.040 Duty to Place Receptacles for Collection. (A) The owners of each single family dwelling structure, business, firm, or multi-family dwelling structure shall provide an adequate number of garbage receptacles to sufficiently accommodate the amount of solid waste or garbage generated by the premises and shall maintain the receptacles or garbage bags in good repair and in a clean and sanitary condition.

(B) Any person occupying or in possession of a single family dwelling, business, firm or multi-family dwelling structure shall place or caused to be placed in garbage receptacles or garbage bags, the solid waste or garbage for collection on either the street line or alley line at the respective times authorized in this chapter.

(C) Solid waste or garbage which is placed in garbage receptacles shall be placed at the street line or the alley line no sooner than 7:00 p.m. the day before the scheduled pickup of said garbage. Garbage placed in garbage bags may not be placed for pickup at the street line or alley line sooner than 6:00 a.m. on the day of the scheduled garbage pickup. Garbage receptacles may not be left in the place for collection after 9:00 p.m. on the scheduled collection day.

(D) Garbage receptacles shall be stored off the streets, curbs, gutters and sidewalks.

(E) No person shall set out or cause to be set out for collection any solid waste or garbage other than solid waste or garbage originating on the premises.

Section 3: There is hereby added to the Municipal Code of Oakwood, Section 8.04.060 which is to read as follows:

Garbage Receptacles

(A) The term "garbage receptacle" shall have the following meaning: a solid, durable metal or plastic container with a cover and handles and without any leaks, breaks or cracks.

(B) Garbage receptacles shall be strong enough to avoid cracking or breaking under day to day use and stress involved in picking up and emptying the receptacles.

(C) Garbage receptacles used for household solid waste collection at any single family dwelling structure and multi-family dwelling structures of three units or less shall have a capacity of not less than twenty (20) no more than thirty-three (33) gallons.

(D) Cans, barrels or drums commonly known as fifty-five (55) gallon drums or burn barrels, or similar containers which are not designated as garbage receptacles, shall not be permitted as garbage receptacles. Garbage bags are
