Absent:

Robert Jennings/Liquor Commissioner

Purpose of Meeting:

Discussion of proposed meeting and Liquor Ordinance amendments

Brett Harrison shared his vision for his business, it seemed heavy on selling packaged goods, poker machines. Customers would stay at the machines with drinks. He would like to open up earlier on Sundays. Bob Parr brought up the 100' distance requirement. There is also a problem with the Cannon property (tract directly North of subject property) as to whether he can buy it or not. The subject of signs was brought up and both Bob Parr and Andy Schulte agreed they should be low. Brett will try to gather further information on loans and Cannon Property. Village will look at 100' requirement and changing hours. Bob Parr

Meeting adjourned at 9:40AM
